Christmas shop plant growers' tips from Ray, Kaye & Sue:

Time to get your cuttings in now so they put down roots before Winter. Plant cuttings in small pots as it will save on potting mix. Repot when well rooted (check base of pot for roots), remember that they will grow very little through winter. Try to have them in their final pot by September. Don't over-pot plants; remember that cuttings cost nothing, and the expense is the potting mix. Where possible pot into maximum 8-inch pots (if it is heavy for you to carry it will be hard to carry to a buyer's car. With plants like begonia and with cascading habit, put 3 or 4 cuttings per pot. Remember, if a plant is easy to strike people will do it themselves. We would like to present well grown attractive plants as a lot of plants are purchased on impulse. Last year we had a large oversupply of succulents. Please only pot up 6 to 8 of each variety. Please label your plants but do not price them, this will help with consistency. Ray has a good supply of 5, 6 and 7-inch pots. If you need some, contact him on 0488 246 761. **HAPPY PLANTING AND A BIG THANK YOU!**

Bountiful God.,

give to this Parish a faithful pastor
who will faithfully speak your word
and minister your sacraments;

an encourager who will equip your people for

Give to those who will choose, wisdom,
discernment and patience,
and to us give warm and generous hearts,
for Jesus Christ's sake.

Amen

A Prayer for Ukraine

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion
to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear,
that you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace.

Amen.
